

Dignified Senior Living

ST MICHAELS
MANOR & MOUNT

Welcome

St Michaels Manor & Mount is a quiet development of two care homes separately providing nursing and palliative care to permanent and respite guests.

Set within beautifully landscaped gardens in a quiet Liverpool suburb, St Michaels marries the grandeur of a Grade II-listed mansion house with a modern purpose built property to provide residents with a homely, caring setting.

Our sole focus is care, and we pride ourselves on the 24 hour support we have provided our service users and their families with for many years. Staff at St Michaels are passionate about care, and the team of qualified nursing and support staff have the empathy required to care for older people.

We welcome you to visit and tour our grounds and facilities, to see if St Michaels is right for you and your family.

Our Ethos

- **Care** - Dedicating all resources to the care of each service user, ensuring their needs are met.
- **Dignity** - Treating all with the respect and dignity they deserve.
- **Independence** - Giving people the opportunity to make their own decisions whenever possible.
- **Security** - Ensuring a safe, secure and welcoming environment at all times.
- **Privacy** - Respecting privacy, providing a professional, friendly approach across all aspects of care.

The Manor

The Manor provides nursing, residential and palliative care for older people, for respite and long stay residents.

Our experience helps us understand the needs of residents and their families, and by providing professional, compassionate holistic care we endeavour to treat the effects of illness, physically, psychologically, socially and spiritually.

Nursing and support staff at the Manor are empathetic to the needs of service users and their families and provide a 24 hour network of support for both.

Dignity and respect is at the forefront of our care, and we always care compassionately and professionally, making sure a stay at St Michaels Manor is comfortable.

The Mount

St Michael's Mount is a purpose built care home, providing nursing and residential care for older people.

Caring for older people is something special and our compassionate team of nursing and support staff are available 24 hours a day for the service user to ensure they're wants and needs are met.

We believe in treating people staying with us as individuals with each having a specifically designed programme of care to meet their personal requirements.

Their wishes are always considered, and we regularly hold sessions with service users and their families to make sure they are happy with the care and support we are providing.

Facilities and Accommodation

The Manor

St Michaels Manor provides 44 places for older people in a beautiful building dating back to 1839 and still showing many of its original features.

All rooms at St Michaels offer a safe, comfortable environment, with many having en-suite facilities. We encourage service users to decorate their rooms with personal affects, small pieces of furniture, pictures, and photographs, to give it that homely feel.

Meals are served in the dining room, overlooking the landscaped gardens and patio. The resident chef caters for any special dietary needs, with drinks and light snacks available throughout the day.

The Mount

St Michaels Mount provides 45 places for older people who require in a purpose built property. Adjacent to the 19th Century St Michaels Manor, the Mount enjoys the same landscaped gardens and outdoor communal areas.

We provide a homely, safe environment, with service users able to decorate their rooms with personal touches and encouraged to feel at home by staff. We strive to make the Mount that 'home away from home' for all staying here.

Those staying can enjoy meals in their bedroom or main dining room, with all special dietary needs catered for. Snacks are available throughout the day and are prepared freshly by the Mount's resident chef.

All rooms above the ground floor at St Michaels can be accessed by lifts and are fully wheelchair accessible. We invite you to visit and tour our facilities, speak to our friendly staff and chat with residents.

Activities

The Manor

Quality of life is not just determined by social and physical well-being, and at the Manor we provide a wide-range of activities for service users, to ensure their stay is the best possible.

We encourage all to partake in activities within their personal limitations such as board games, cards, bingo, quizzes, art, and music. We take note of the little things asking what television and radio preferences our service users.

Those staying at St Michaels along with their families are welcome to provide input into the activities we schedule, and we regularly incorporate these suggestions into our schedule.

The Mount

The importance of activities and leisure within the care environment is vital and any service user joining the Mount is encouraged to tell staff of activities and hobbies they enjoy, so we can make sure a stay here is as comfortable, enjoyable and productive as possible.

Our team arrange a broad variety of activities for service users and their families at St Michaels Mount from garden fetes and fundraisers to board games and birthday celebrations, all aimed at achieving a higher standard of living.

We welcome feedback and suggestions on new activities and excursions, in line with our belief that the social well-being is as significant as the physical.
